### DISTINGUISHING FEATURES OF THE CLASS

This is a para-professional position in a probation department. Unlike a Probation Officer 1, a Probation Assistant is not a Peace Officer pursuant to the New York State Criminal Procedure Law. The incumbent is responsible for assisting probation officers in a local probation agency in tasks which may include performing pre-dispositional/pre-trial related duties such as interviewing and screening individuals arrested and/or otherwise not yet adjudicated/sentenced for suitability for pre-trial release, making recommendations for release, monitoring individuals released into the community whose cases are pending; and notifying courts of case status. An incumbent may also serve as a probation department's point of contact for transfer of records and files with other probation departments, law enforcement agencies or courts. He/she also assists in the control and supervision of probationers by performing tasks such as opening and closing cases; retrieving archived files; delivering documents to law enforcement agencies and the courts; assisting with the collection of financial obligations; and processing intra and interstate transfers. The work is performed under the supervision of a Probation Supervisor 1 or higher-level probation professional in accordance with applicable rules/regulations, statutes and/or policies and procedures as directed by a Probation Director or his/her designee. The incumbent will perform all related duties as required.
