

County of Clinton

Department of Social Services

Request for Price Quote

The Clinton County Department of Social Services is seeking a price quote for a Consultant

Project Description: The Department of Social Services is seeking a qualified consultant to assist the Department in developing policies that are evidenced based with the primary focus on Child Welfare. The consultant will work with staff on implementing said policies. The consultant will assist Supervisors in developing training plans and assist with training of new staff. The consultant will provide technical assistance to the Director, Staff and Organizational Development and the Director, Legal and Social Services.

Requirement for this project include:

1. Qualified candidate must have a Master's degree or higher in Human Services, Behavioral Sciences, or related field.
2. Six years' experience working with a Social Services District, four of which must have been in Child Welfare

If you are interested in providing services for this project, please submit the attached Price Quote Sheet (EXHIBIT A) no later than November 29 by noon to John Redden, Clinton County Department of Social Services, 13 Durkee Street, Plattsburgh NY 12901. Submission by FAX is acceptable at (518) 561-8101.

Please contact John Redden at (518) 565-3222 if you have any question relative to this project.
