

Clinton County Sheriff Dave Favro would like invite all news media to a press conference in regards to Special Legislation in the New York State Assembly and Senate to allow former Deputy Sheriff Aaron Heroux to return to work.

Due to Cystic Fibrosis, Aaron's lungs were deteriorating to the point of him being placed on oxygen. Aaron was then placed on medical disability due to his condition. Aaron Heroux later successfully underwent a double lung transplant. However, there was no course of action for a return to work as a Deputy Sheriff until the creation of this law.

Sheriff Favro will hold a news conference at the Clinton County Sheriff's Office, 25 McCarthy Drive, Plattsburgh NY 12901 on 6/17/16 at 09:30 AM to introduce Aaron Heroux to the media and present his story.
