

PRESS RELEASE – SHOP WITH A COP 7TH ANNUAL CLINTON COUNTY DEPUTY SHERIFF'S PBA

Shop With A Cop is a national program pairing law enforcement with children to afford them a better Christmas. The program allows children to view law enforcement in a different atmosphere to promote positive relationships.

The program is funded through generous donations from within our own community from private sponsors and local businesses.

The event will be on December 3, 2016 at 9 AM at Target in Plattsburgh. This program is geared towards Clinton County Elementary children. Local school administrators, counselors and DARE Deputies select students that have a need based on a variety of factors. Each child gets his or her own deputy sheriff to shop with them. The past years we have hosted 10 children at \$100 each. This year we have had an out pouring of support from the community and we are hoping to sponsor 21 children at \$200 each. The children can purchase gifts for themselves or their family to allow for an enjoyable holiday. Sheriff Deputies volunteer their own time to support the program.

A special thanks to Target for hosting the program and providing a cash donation/gifts and snacks. And thanks to the following sponsors for their financial assistance.
