**NARRATIVE:** On the above date, at about 7:35pm, Deputies responded to the area of State Route 9N in Clintonville for report of a vehicle that was allegedly operating erratically in the area. Deputies located a vehicle matching the description subject to the complaint and attempted to stop it on State Route 9N near Balsam Drive after observing the vehicle allegedly commit multiple traffic violations. The vehicle allegedly failed to comply with Deputies' lights and siren and continued east on Route 9N at a low rate of speed. Deputies pursued the vehicle until it stopped in the driveway of a residence on Pleasant Street in Keeseville, following which the operator of the vehicle, David A. Rock II was taken into custody. It's alleged that Rock was operating the vehicle while in an intoxicated condition and with two child passengers under the age of 15 in the vehicle. Rock was also allegedly found to have three prior convictions for DWI in the preceding 15 years.

**DISPOSITION:** Rock was processed at the Sheriff's Office and arraigned in Town of Peru Court on the above-listed charges. Following arraignment, he was committed to Clinton County Correctional Facility without bail. He is set to reappear in court on a later date.
