

## **PRESS RELEASE**

### **FOR IMMEDIATE RELEASE**

Clinton County Sheriff David N. Favro is warning the public that telephone solicitations asking for donations on behalf of the Clinton County Sheriff's Office are a scam.

The Sheriff's Office enforcement division received a report on March 1, 2010 that an individual calling himself Ryan contacted the same person by phone several times - in the last week - stated he was doing annual fundraising for the Clinton County Sheriff's Office and asked for a donation.

Sheriff Favro says that if you are not familiar with the individual or organization seeking a donation - do not respond to their requests or give out any personal information.

The Sheriff asks that if anyone has received one of these calls or has any information about them that they please call the Clinton County Sheriff's Office enforcement division at 565-4340.
